Providing an Affordable Alternative to Expensive Attorney Fees

In spite of what we have been led to believe, **YOU DO NOT HAVE TO HIRE A LAWYER TO ACCESS THE COURT SYSTEM.** America's courts **DO NOT** belong to the lawyers and judges. The courts belong to us, the taxpayers, and we have a constitutional right to file any case of our choosing.

A trial is a relatively uncommon thing in our legal system. Several lawsuits are filed each day, but nearly all of them are settled out of court between the people involved. The vast majority of all legal matters are "administrative procedures". Some examples are: (1) an insurance policy is a legal contract, but insurance agents handle it; (2) Real Estate transactions are handled by Real Estate Agents and (3) Tax Preparers handle the preparation and filing of your taxes. These procedures are all considered "administrative procedures" in which legal representation is not required. What is required, however, is that you have the paperwork prepared in the correct format, and have instructions for the filing procedure.

We will prepare your documents in the correct format for your state and provide complete, detailed instructions and assistance for the step-by-step process of completing your case. It's not complicated: it's just hard to find anyone willing to give you this information unless you pay thousands of dollars in attorney fees.

At Nationwide Court Documents, we're different. We charge a reasonable fee for our service, stand behind our work 100% , and help you help yourself.

This is not a do-it-yourself divorce kit, and these are not the papers you file with your local court. The next thing to do is complete the worksheet and return it to us so that we may get started with your case. We'll then return your completed documents to you, with complete filing instructions, so that you can file your case and get this matter behind you.

IF YOU HAVE QUESTIONS ABOUT COMPLETING THIS WORKSHEET PLEASE CALL THE TOLL-FREE NUMBER ABOVE OR E-MAIL YOUR QUESTION TO: ncdproservice@aol.com, AND WE WILL BE HAPPY TO ASSIST YOU.
